**GUIDELINES**

Orders do not include design unless specifically stated. If the design is not provided by the customer, Design Services can be purchased for an additional charge.

Designs provided by customers must be either the original artwork file (Photoshop or Illustrator format preferred) or a high resolution image (JPEG, PNG, ect.) to ensure maximum print quality. If the customer does not submit an original file or a high resolution image, the customer assumes responsibility for print quality.

Sticker orders are limited to 2 variations/flavors. Any additional variations will be \$10 per additional variation.

Once the order is placed, the design will be submitted for approval. Turnover time starts once design is approved.

Prices listed as of July 2023 - All prices subject to change
